Penalty for Late Payment of Property Tax: If you pay your first half or second half property tax after the due dates, a penalty will be added to your tax. The later you pay, the greater the penalty you must pay. The table shows the penalty amounts added to your tax if your property taxes are not paid before the date shown.

Personal Property Located on Leased Government-owned Land: Taxes may be paid in two installments due at the same time as real property taxes. These taxes are subject to the same penalty schedule and penalty rates as real property taxes. All other personal property taxes are due in full on or before May 15, 2023.

Note to manufactured homeowners:

The title to your manufactured home cannot be transferred unless all current year and delinquent personal property taxes are paid at the time of transfer.

Senior Citizens Property Tax Deferral:

The Senior Citizen Deferral Program was established to help senior citizens having difficulty paying property taxes. This deferral program allows senior citizens to leverage the equity in their home, providing two primary advantages:

- 1. It limits the annual out-of-pocket payment for property taxes to 3 percent of total household income, and
- 2. It provides predictability. The amount you pay will not change for as long as you participate in this program.

To be eligible, you must be 1) at least 65 years old, 2) with a household income of \$60,000 or less, and 3) have lived in your home for at least 15 years. While in this program, you will only have to pay taxes equal to 3 percent of your net income, with the remaining tax paid by a low interest loan by the State of Minnesota. This is not a tax forgiveness program - the unpaid tax along with accumulated interest will become a lien on the property for future satisfaction, such as upon a sale or disposition of the estate. To receive a fact sheet and application, please call: (651) 556-4803.
