2.

Penalty for Late Payment of Property Tax: If you pay your first half or second half property tax after the due dates, a penalty will be added to your tax. The later you pay, the greater the penalty you must pay. The table shows the penalty amounts added to your tax if your property taxes are not paid before the date shown.

Personal Property Located on Leased Government-owned Land: Taxes may be paid in two installments due at the same time as real property taxes. These taxes are subject to the same penalty schedule and penalty rates as real property taxes. All other personal property taxes are due in full on or before May 15, 2024.

Note to manufactured homeowners: The title to your manufactured home cannot be transferred unless all current year and delinquent personal property taxes are paid at the time of transfer

The Senior Citizens' Property Tax Deferral Program provides a low-interest loan to senior citizens having difficulty paying property taxes. This is not a tax forgiveness program, however, this program: • Limits the maximum amount of property tax paid to 3% of total household income, and

• Ensures the amount of tax paid remains the same as long as you participate in this program.

**SENIOR CITIZEN PROPERTY TAX** DEFERRAL

To be eligible, you must file an application by November 1, 2024, as well as: 1. Be at least 65 years old,

2. Have a household income of \$96,000 or less, and

3. Have lived in your home for at least 5 years. To learn more and find an application for this program, or to file an on-line application, go to www.revenue.state.mn.us and type "deferral" into the search box.
